

Help spread the word about safety!

In an effort to raise awareness about gas and electric safety, PSE&G would like to share important safety information through our website at

pseg.com/safety.

The drop down menu below details the information you can link to on your websites and/or social media accounts to help educate the public on these important topics.

Thank you!

The screenshot shows the PSE&G website's navigation and content structure. At the top, there are links for PSEG CORPORATE, PSEG (highlighted), PSEG LONG ISLAND, and PSEG POWER. A search icon, ESPAÑOL, CONTACT US, and LOGIN or REGISTER are also present. Below the navigation is a secondary menu with icons for PAY MY BILL, REPORT OUTAGE, MOVING, and EMERGENCIES. The main navigation bar includes My Account, Outages & Leaks, WorryFree, Save Energy & Money, Safety & Reliability (highlighted), Business & Contractors, and In The Community. The Safety & Reliability Overview section is expanded, showing three columns of links: Electric Safety (Downed Power Lines, Electric Home Safety Tips, Life Sustaining Equipment, Balloon and Kite Safety), Gas Safety (I Smell Gas, Carbon Monoxide Safety, Gas Home Safety Tips, Appliance Safety, Safety Unclog Sewer Lines, Excess Flow Valves, Odor Fade), and Storm Safety (Before a Storm, During a Storm, After a Storm, Generator Safety, Flood Safety). There are also links for Safety Tips (Call Before You Dig, Emergency Preparedness, Help Keep Our Technicians Safe) and Reliability (Reliability Overview, Tree Trimming, Current Initiatives). On the right, a featured section titled 'Life-Sustaining Equipment' includes a text block and an image of a young woman and an elderly woman sitting at a table.
