Re: Yearly Update to NJPDES Stormwater Permit
Stormwater Pollution Prevention Plan
Borough of Allentown, Monmouth County, New Jersey
Our File No.: A2533

Dear Laurie:

As you know, the Borough maintains an NJPDES Stormwater Permit and must remain in compliance each year. Enclosed for your records, please find one completed copy of the 2022 Stormwater Pollution Prevention Plan prepared by our office for the Borough. This plan outlines all of the Borough's requirements under its permit and the work undertaken between January 1, 2021 and December 31, 2021 to maintain compliance with the permit. For 2022, the Borough has met all requirements and is in compliance with the permit.

Enclosed for your records, please find a copy of the certified 2022 Annual Report and Certification that our office has compiled and submitted to NJDEP for the Borough for the period beginning January 1, 2021 through December 31, 2021.

A copy of this plan is being transmitted directly to the Department of Public Works Supervisor.

Should you have any questions, please do not hesitate to contact this office.

Very truly yours,

A handwritten signature in blue ink that reads "Carmela Roberts". The signature is written in a cursive style.

Carmela Roberts, P.E., C.M.E.
Borough Engineer
