

Minutes for Allentown-Upper Freehold Alliance for the Prevention of Substance Abuse 2-19-2020 @7pm

Location: Upper Freehold Municipal Building

Members Present: Craig Moon, Kimberley Fisher, Sherry Wright, Bob O'Hare, Erica Torsello, Tia McLaughlin, Debbie Minnick (coordinator)

Old Business

Deb is still waiting to hear on the new five-year grant cycle. She estimates it may be two more months before resolution.

Flyers are being prepared and sent out to community members as part of a recruitment plan.

The Mother-Son Bowling Event is set for Sunday March 8th from 12 noon until 2pm. Volunteers for the event will be Kim F., Craig M., Sherry W., Erica D., Tia M., and Debbie M. Deb requested volunteers arrive around 11:15am. Door prizes for the event include gift certificates from Modell's and a gift certificate from Granny's Grill. We will be doing the trophy preparation during the event.

Daddy-Daughter Dance will be on Friday May 1st at the German American Club. In light of Deb's medical leave the question was put to the committee on how to process the registrations. Online processing comes at a cost of \$2.50 per person and the registrants are not required to pay at the time of registration. The committee decided to process the registrations the same as has been done in prior years. Deb will check with Angela at the UFT office to see if she can process checks. The committee also decided to set a deadline of April 22nd as a deadline for registrations. Erica will begin to work on a flyer for the dance which can be distributed initially at the bowling event. Deb will put in a call to AHS to secure volunteers for the dance from high school students.

Bike Night and Car show dates are set for June 10th and June 24th respectively. Erica is going to update the flyers.

New Business

NJPN Conference will be May 1st in Atlantic City. Scholarships are available for this event. As the event is the same day as the dance it is doubtful our membership can attend.

Parent Who Host Lose the Most pledge card are being ordered by Deb.

Potential Dates for the proposed Health Fair were decided as October 14th, 17th, or 18th. Erica will ask the host what may work best for them.

Next meeting will be March 11th at 7pm at the Upper Freehold Municipal Building. We will be preparing goodie bags for the dance.

Craig Moon

Secretary
